

RETTCPolicyStack Update

What is RETTC?

New NMHC affiliate created to champion responsible technology innovation, adoption and policy to revolutionize rental real estate and enable us to address our long-term housing challenges.

An **expanded platform to connect real estate and technology leaders** space through networking, knowledge building, advocacy and convenings.

Opportunity for the proptech ecosystem to drive **smart business decisions and forward-thinking solutions** to real estate challenges.

RETTTC's Core Work
