ABOUT NMHC PAC

NMHC PAC is a voluntary, non-partisan political action committee formed in 1980 to support and elect pro-multifamily industry candidates for federal office. Since its inception, NMHC PAC has worked to ensure the multifamily industry speaks as a unified voice in Washington.

NMHC is committed to expanding the reach of NMHC PAC and maintaining a leadership role in the real estate trade association PAC community. A key part of our strategy is building a strong national base of participating companies whose employees directly support NMHC PAC and its mission.

The NMHC PAC has been the driving force in addressing legislative matters impacting our industry. They have well represented our interest.”

NMHC PAC is Bipartisan

Every day, elected officials make critical decisions that impact the apartment industry, your firm and ultimately your job. From housing finance reform to tax policy to fair housing and energy and environmental regulations, policy choices made in Washington have a direct impact on how you operate your company and how successful you can be. NMHC PAC is your seat at the table.
The NMHC PAC has been very involved with a number of issues that are important to the industry: tax reform, GSE reform, sustainability … issues that could cost the industry billions of dollars.
