Jennifer Platt

Vice President, Federal Operations

Jennifer Platt serves as Vice President of Federal Operations for ICSC, where she supervises the political, policy and public affairs for federal initiatives. She also oversees the strategic direction for the ICSC Political Action Committee.

Jennifer brings a wealth of Congressional and public affairs experience to ICSC. She spent 6 years on Capitol Hill working for members of the House Financial Services Committee. In addition to her public sector experience, Jennifer has provided public affairs consulting, government relations and presentation services for the real estate development community. While with Tynan Group Public Affairs, in Santa Barbara, CA, Jennifer created programs to bring developers together with local government officials and community activists to assist in the formation of wireless communications networks, transportation and tourism projects.

Jennifer is a 1997 graduate of Westmont College in Santa Barbara, CA and lives in Alexandria, VA with her husband, Mike, and son, Trace.
