In December 2020, Congress passed the Consolidated Appropriations Act that—among other COVID relief measures—allocated \$25 billion to the Treasury Department to create a new Emergency Rental Assistance program (ERAP).

As states begin to open enrollment, NMHC remains engaged with Congress and the Treasury Department to ensure the program is administered in an efficient and effective manner that works for both residents and property owners/managers.

This document is an overview of the requirements set forth in the [COVID-19 relief package](#) signed into law December 27, 2020, and administered by the U.S. Treasury Department and HUD.

In an effort to clarify specific provisions set forth as part of the program, Treasury has released guidance on an ongoing basis. [The most recent guidance was released on March 26, 2021](#). Supplemental guidance is expected to be released in the future. In addition, [the IRS has also released FAQs on Emergency Rental Assistance \(ERA\)](#), outlining criteria for landlords to follow regarding ERA payments.

NMHC continues to provide feedback to Treasury and HUD regarding implementation. Most recently, NMHC [spearheaded a real estate coalition letter to Treasury and HUD on February 26, 2021](#), outlining a number of specific recommendations. This was a follow-up to letters sent on [January 7](#) and [February 9](#).

Behind on Your Rent? New Emergency Rental Assistance Program May Help.

We know that many of our residents have suffered job and income loss during the pandemic and may struggle to pay rent. If you find yourself in this situation, here are some recommendations.

1. **Talk to us!** Don't wait until you miss your rent payment to reach out. We want to work with you to help you through this difficult time. We may be able to set up a payment plan for you or help you access federal or charitable financial support.
2. **Review the sources of financial aid detailed below, including a new federal Emergency Rental Assistance Program.** If you need help applying for benefits, charitable grants or other aid, let us know. We may be able to help.

NEW! Federal Emergency Rental Assistance Program

In December, Congress approved \$25 billion in Emergency Rental Assistance for residents suffering financially from the COVID-19 pandemic. The money was distributed to the states, some localities and other eligible grantees at the end of January, and each grantee is charged with distributing it via existing or new programs. [m](#)

Who Is Eligible?

Any household where at least one or more individual meets at least one of the following criteria:

- Qualifies for unemployment or has experienced a reduction in household income, incurred significant costs, or experienced a financial hardship due to COVID-19.
- Demonstrates a risk of experiencing homelessness or housing instability; and
- Has a household income at or below 80 percent of the area median.

Some states and localities may add prioritization factors as they distributed their limited funds.

How Much Assistance is Available?

Eligible households can receive up to 12 months of assistance, plus an additional three months if necessary, to ensure housing stability. Assistance can only be allowed in three-month increments, after which an eligible household must re-apply for funds. The assistance can be used to cover rental payments and arrears beginning after March 13, 2020.

Funds are limited, however, and most states are allocating their funds on a first-come, first-served basis so it is important to apply as early as possible if you qualify.

How Do I Apply?

CUSTOMIZE Since every state and participating locality is developing their own programs, there is no single application point or even a database of all the assistance programs. In [OUR STATE/TOWN](#), you can apply [INSERT DETAILS](#)

TKTKTK Info. based on state/local program. We encourage firms to provide a contact person within your organization for residents with questions.

How Does the Program Work?

Renters can apply for aid or apartment firms can apply on behalf of their residents. **CUSTOMIZE** Our firm is participating in the program so if you are approved for assistance, the rental assistance will be paid directly to us.

OR Our firm is NOT participating directly in the program, but you can still apply for assistance and receive the assistance directly so you can use it to pay your rent or past rent due.

Where Can I Learn More?

The Treasury Department has issued Frequently Asked Questions on the program <https://bit.ly/3q4vmpm> as well as a list of grantees and how much funding they received <https://bit.ly/37YzPUh>. An interactive map of state programs is available at <https://bit.ly/302vfjn>.
