

KIMBERLY GRIMM
CHIEF DEVELOPMENT OFFICER

As Chief Development Officer, Kimberly Grimm leads Continental's project development activities.

With over 25 years of experience in real estate, Kim drives Continental's business development of new rental housing projects which includes project sourcing, due diligence, entitlement, and permitting activities for Continental's retail, multifamily, and hotel projects nationwide.

Kim has entitled numerous retail, hotel, and multifamily developments throughout the country in addition to sourcing multifamily projects. She has held several positions within the development area of Continental and currently serves as an Investment Committee member. Kim is the Officer Sponsor for the Continental Cares initiative. She is also an active participant of NMHC and their Workforce Housing Committee.

Prior to joining Continental in 1995, Kim worked at AMRESKO completing due diligence work on asset dispositions for the Resolution Trust Corporation. She has also held positions in banking and consulting services, specifically those with an environmental focus.

EDUCATION

- University of North Texas, Bachelor of Business Administration in Finance
- Loyola University Chicago, Master of Business Administration and Management

"We are a 'learning company,' always striving to do things better than we did them before, mentoring and teaching team members so they can achieve their career goals and we're not afraid to take on a new challenge in developing communities across the country."
