

# Mia McKinney

Mia McKinney is a Development Manager at RangeWater Real Estate. In this role, she manages the execution of multifamily residential development projects. She couples her results-driven tenacity with her strong coordination skills to oversee projects from inception to close-out. She works closely with the development and construction teams to ensure timely outputs by managing overall transactions, budgets, schedules, construction, and lease-ups. In addition, Mia manages programmatic components of the firm's age-targeted development deals.

Prior to joining RangeWater in 2019, Mia worked as a project management consultant focusing on city and regional planning, transportation infrastructure investments, and community development. Mia maintains excellent client/stakeholder relationships, identifying optimal solutions and strategies for solving problems of varying complexity.

Mia received her Master's degree in City and Regional Planning from the Georgia Institute of Technology and two Bachelor of Science degrees in Political Science and Environmental Studies from the University of Wisconsin-Madison.

Mia enjoys cooking, reading, and spending time with her family and friends. She spends most of her time with her puppy pal, CoCo Chanel.
