

NMHC STUDENT HOUSING CONFERENCE

2024 NMHC Student Housing Conference Meeting Kiosks

The NMHC Student Housing Conference is the premier event for Student Housing professionals bringing together leaders from all facets of the sector including owners, operators, investors, lenders, and university partners.

Open to NMHC members and non-members, this is a must-attend event whether you are an industry veteran, new to the sector, or seek exposure and access to industry decision makers. [Click here to see the list of companies in attendance in 2023.](#)

Meeting Kiosks

NMHC is offering a limited number of turnkey Meeting Kiosks, designed to help increase your company's visibility at the conference. Meeting Kiosks provide a dedicated space for branding, demos, and meetings. As this is not a tradeshow, kiosks do not require staffing, allowing your company's representatives to attend sessions and only frequent their kiosk as needed for scheduled demos or meetings.

Kiosks will be centrally located in The Hub, making it easy for your company's branding to reach attendees as they visit The Hub for meetings, to catch up on work, or simply to relax over a cup of coffee or a cocktail.

Kiosk Display Hours

Monday, October 7th: Hours to be announced!

Tuesday, October 8th: Hours to be announced!

There will be no kiosk hours on Wednesday, October 9th.

The conference agenda and kiosk hours will be updated and published by June 25, 2024.

Installation & dismantling hours will be provided to confirmed kiosk companies closer to conference dates.

How to Reserve a Kiosk

[Click here to submit a Kiosk Request Form.](#)

Kiosks will first be assigned to companies who reserved a kiosk at this conference the previous year (2023). The priority application window for this group will close on June 14th, 2024. Kiosks will be assigned to this group in order of sponsorship level and membership level.

After June 14th, NMHC will begin to assign kiosks to companies in the order their request form is received, until space runs out. NMHC member companies will be prioritized. If a kiosk becomes available, NMHC will contact you with next steps.

Space is limited. Not all requests will be able to be accommodated. If a kiosk is unavailable at the time of assignment, your request will be moved to the wait list in the order it was received.

Due to volume, NMHC will only contact a company if a kiosk becomes available. If you have not been contacted, your company is still on the wait list pending availability.

Suitcasing and Outboarding Policy

Suitcasing and Outboarding is strictly prohibited at NMHC meetings. [Click here to download and read the NMHC Suitcasing and Outboarding Policy.](#)
