

**Max LaVictoire** joined Landmark in 2024 as a Managing Director. His primary responsibilities include developing and managing relationships with Landmark's current and prospective investors. He also oversees the development of new investment vehicles to support Landmark's investment strategies and equity capital needs. Prior to joining Landmark, he served as Principal, Head of GP Advisory Services at Hodes Weill & Associates in New York, where during his tenure he advised clients on more than \$6 billion of capital raised and led the firm's advisory practice focused on structured and bespoke capital raising initiatives and mergers & acquisitions. Prior to that, Max served in an investment role at Harvey Partners, LLC.

Max holds a Bachelor of Science in Business Administration from the Olin Business School at Washington University in St. Louis. He is also an Associate Board Member of PlayRugbyUSA.
