

Michael Erickson leads investment management for Greystar's US student housing business. Previously, he served as the portfolio manager of Greystar's core-plus investment vehicle targeting student housing acquisitions and developments at top tier universities throughout the US. Michael was part of the Greystar transaction team that underwrote and executed the firm's acquisition of EdR, which seeded the firm's student-focused core-plus fund in 2018.

Before joining Greystar in 2014, Michael was a Senior Associate at Ernst & Young, where he was a member of the financial assurance services group. While at Ernst & Young, his clients included public and private firms in the software, financial services, and real estate sectors.

Michael is a member of the Urban Land Institute. Michael received a bachelor's degree and Master's in Professional Accounting from the University of Texas at Austin and is an inactive Certified Public Accountant in Texas.
