## 2023 NMHC Membership Development Application

The purpose of NMHC's 2023 Membership Development Program is to support a more productive multifamily marketplace, advance economic inclusion, and better inform NMHC's member services for the benefit of the entire industry. To be considered for the program and qualify for a complimentary two-year NMHC Advisory Committee membership, applicant organizations must be majority-owned by members of an underrepresented group (as specified in the application), OR a 501(c)(3) nonprofit organization that represents and advocates for the interests of such under-represented groups, OR a nonprofit multifamily housing provider, OR an accredited, nonprofit academic program that engages in research related to the rental apartment industry on topics such as finance, property management, or construction.
