

## **NMHC PAC Board Report May 2017**

NMHC's political action committee, NMHC PAC, supports the apartment industry's legislative goals, educates Congress about multifamily housing issues and encourages participation in the political process.

• **NMHC PAC Receipts and Disbursements:** As of April 30, there were 363 employees from 90 NMHC member firms and NMHC staff that have contributed \$529,579 to NMHC PAC. These funds amount to 40 percent of this year's \$1.25 million goal collected in just under four months.

Employees of the following firms have contributed \$10,000 or more in 2017: Alliance Residential, AMLI Residential, ARA Newmark, AvalonBay Communities, The Bozzuto Group, Camden Property Trust, Cushman & Wakefield, Equity Residential, Heritage Title Company, JLL, Madera Residential, The Preiss Company, National Multifamily Housing Council, Trammell Crow Residential, UDR, and Westdale.

The top five firms for employee contributions to date are: ARA Newmark (\$49,850), Camden Property Trust (\$36,750), Cushman & Wakefield (\$27,900), Heritage Title Company of Austin (\$25,000) and UDR (\$22,500). Also, as of April 30, a total of 52 NMHC members have each contributed the \$5,000 maximum to the PAC.

In January, the NMHC PAC Committee discussed plans for the 2017/2018 PAC Disbursement Budget. The budget will be reviewed at the Spring Board Meeting. The two year budget will outline a plan to spend approximately \$3 million over the course of this two-year election cycle. The bulk of disbursements will be targeted at key Congressional leadership and committee members with purview over critical legislative and regulatory issues such as tax and housing finance reform, energy efficiency and building codes, HUD programs and budget issues, privatized military housing and fair housing.

Beginning the cycle with a balance of \$600,000, NMHC PAC has disbursed \$539,500 to Congressional campaigns, leadership PACs and party committees. Many of these contributions were made to lawmakers at small, targeted fundraising events hosted by real estate industry groups. NMHC PAC disbursements can be viewed on the PAC section of the NMHC website.

• **NMHC PAC Co-Hosted Events:** A significant amount of NMHC PAC funds are used to co-host real estate specific events allowing NMHC's government affairs team to build on the relationships with the key lawmakers who understand our industry and the issues impacting our members' bottom lines. In addition to events based in Washington, D.C., the NMHC PAC Committee will continue the bi-partisan personal dollar initiative and encourage NMHC executives to contribute directly to candidates at the federal level who are supportive of the apartment industry.

A slate of Congressional members will be discussed at the May NMHC PAC meeting to include in the 2017/18 personal dollar initiative. Personal dollar events hosted outside of Washington, DC are used to complement NMHC PAC's work in the nation's capital.

• **NMHC PAC Prior Authorization:** Federal law requires member firms of NMHC to sign a Prior Authorization Form in order for the executive or administrative personnel of the firm to receive NMHC PAC information and/or be legally solicited for voluntary PAC contributions. Individual members do not need to sign Prior Authorization Forms. These signed forms allow NMHC staff to communicate with member firms about the importance of NMHC PAC and NMHC's advocacy efforts on behalf of the industry.

NMHC PAC focuses on outreach to NMHC's lead and alternate representatives at member firms. NMHC currently has over 400 prior authorization forms on hand and continues to collect additional forms.

• **2017 NMHC Political Action Committee Leadership:** Sue Ansel, President and CEO of Gables Residential serves as the NMHC PAC Chairwoman. She is supported by the NMHC PAC Committee, which plays a critical role in NMHC PAC oversight and fundraising.
