NMHC RESEARCH FORUM OPENING SPEAKER ANNOUNCED

SPOILER ALERT: IT’S A CAN’T-MISS SESSION

What’s the outlook for inflation and Fed policy? Will higher interest rates cause cap rates to rise? How will global tensions affect the U.S. economic outlook? Get answers to these questions – and more – during the economic outlook session with Moody’s Analytics' Deputy Chief Economist Cristian deRitis during the upcoming NMHC Research Forum.

THIS WEEK IN WASHINGTON

Want a deeper dive into specific provisions within the federal spending package? In addition to the overview article detailed above, members should be sure to check out NMHC’s breakdown on what didn't make it into the Violence Against Women Act (VAWA)—and why NMHC advocacy was crucial in getting it across the finish line.

Also happening this week impactful to our industry...

- We’re finally seeing serious progress in postal reform that could impact your onsite operations.
- DOL proposes potentially problematic new Davis-Bacon rules that may hinder multifamily development.
With several industries still at risk—including ours—the federal government acts to protect the nation from potential cyber threats resulting from the Russia-Ukraine conflict.
